COMMUNITIES

BUILDING THE FUTURE TODAY

Since EgyGab's establishment in 1977, Engineer Samir Gaballah has been committed to challenge the real estate's conventional scene, not only by changing the face of landscapes into world-class iconic projects, but by also transforming lives through innovative developments aimed at bringing an integrated lifestyle to every community's doorstep. Today, EgyGab continues to shape tomorrow through unprecedented market knowledge, offering a wide range of cutting-edge developments carefully crafted by experienced professionals to set a new benchmark in quality contemporary living.

SHIFT TO THE FUTURE TODAY

AL SHOROUK

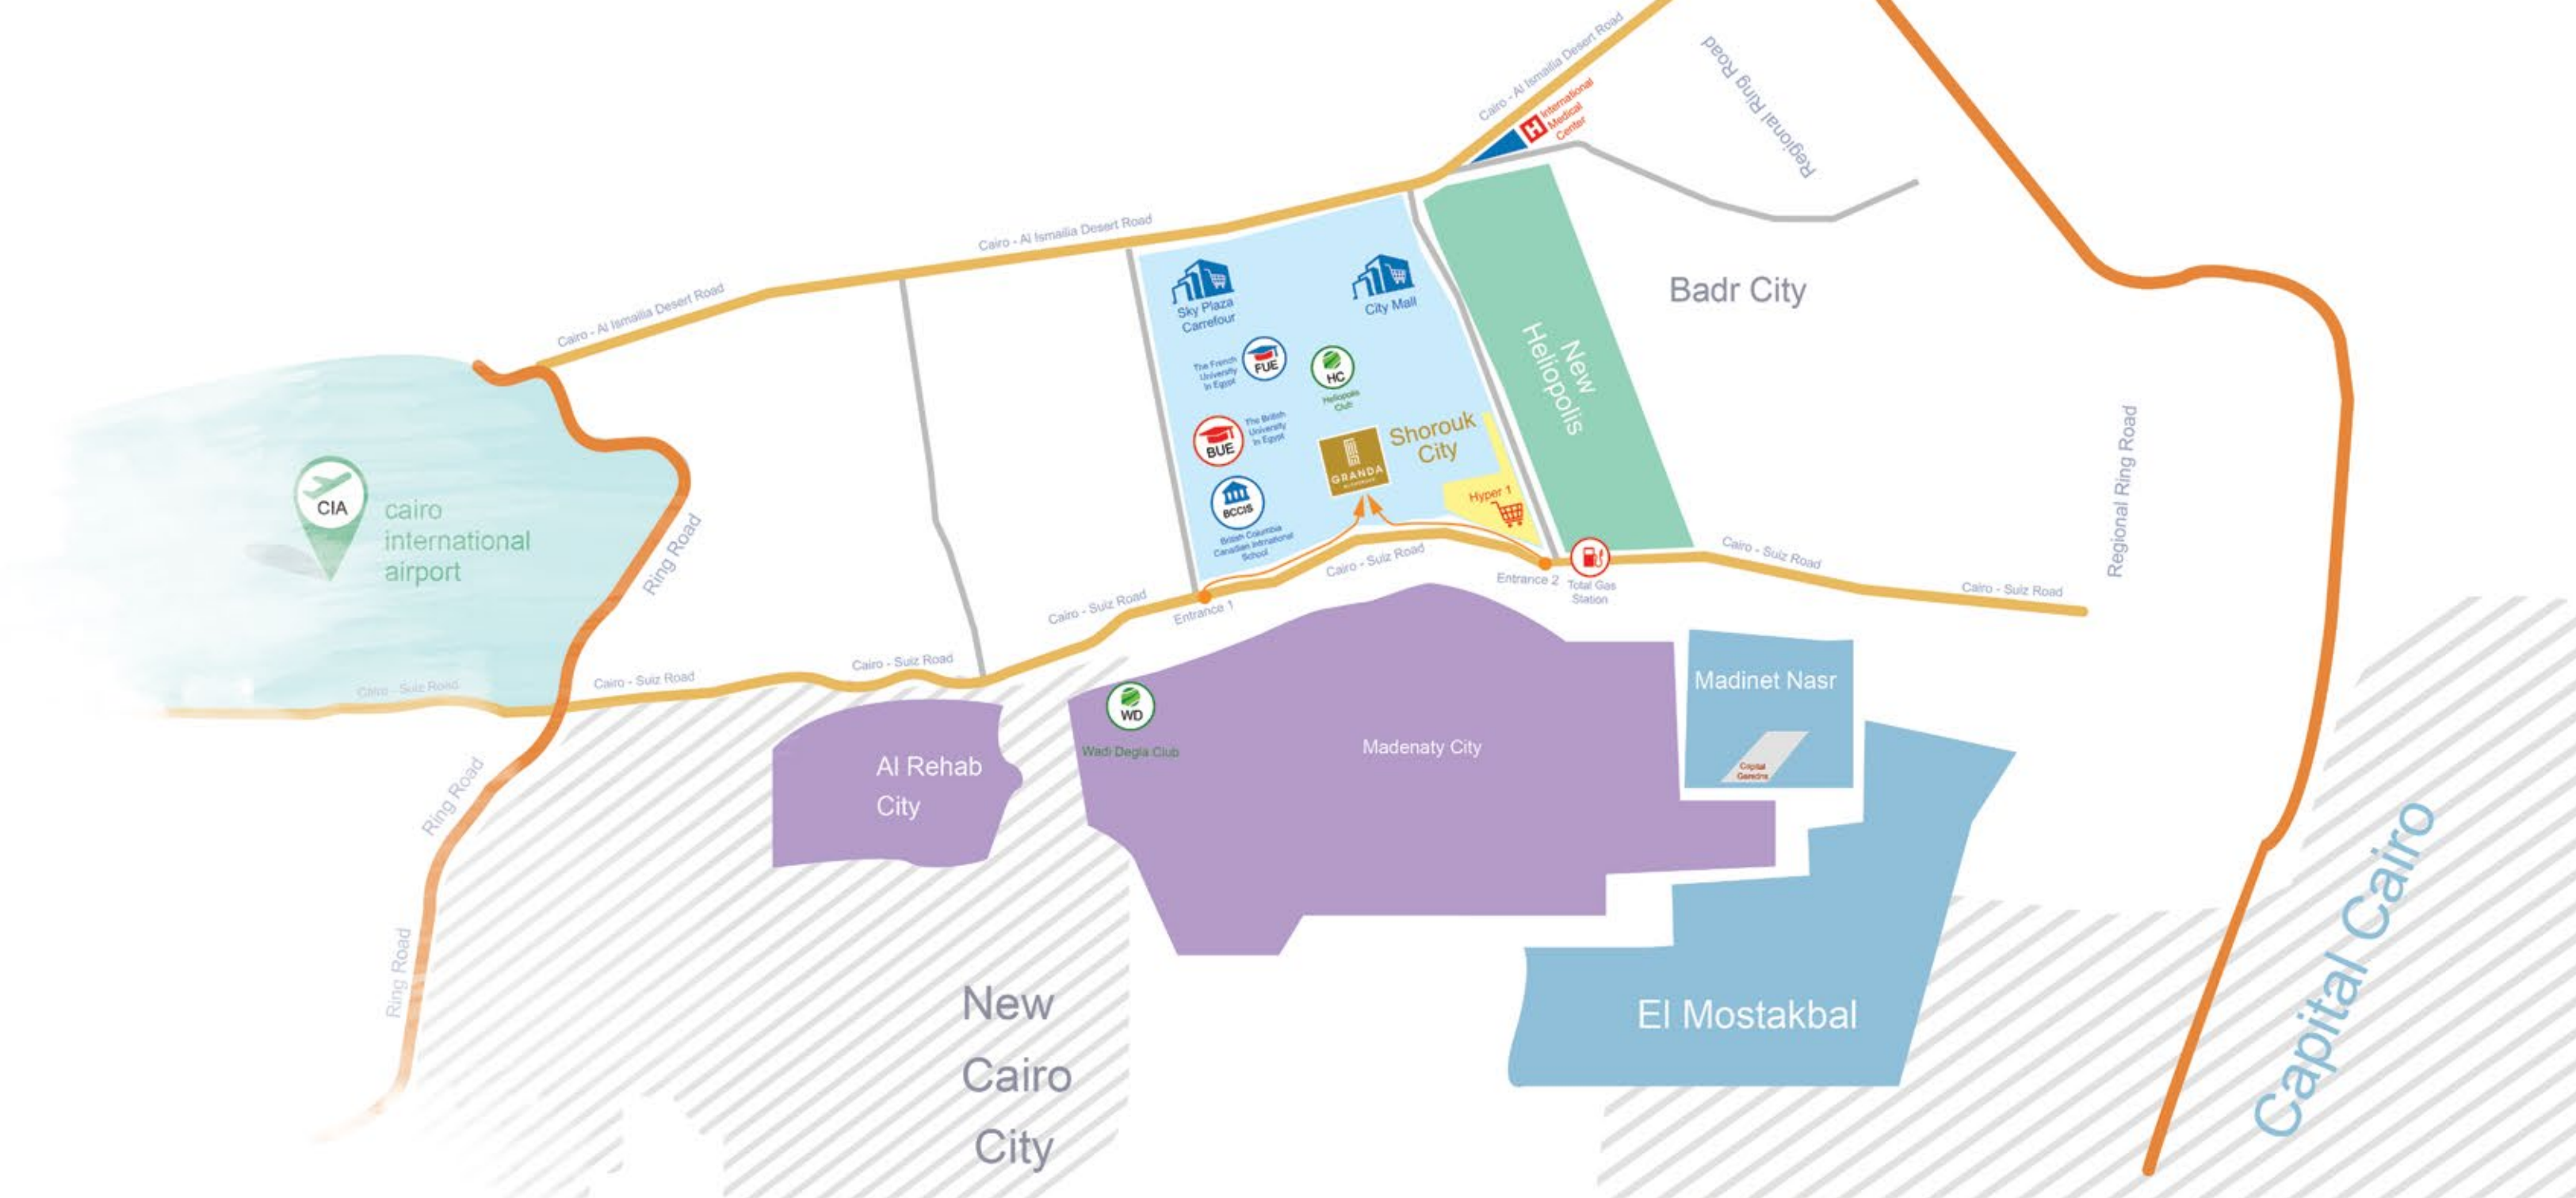

Serving as an integral East extension to Cairo's new capital and all its lively happenings, Al Shorouk promises residents a unique sense of security and a state of serenity and community not found elsewhere. EgyGab has set its residents' "comfort and convenience" at the forefront of its new plan, providing the best of integrated community living in Al Shorouk which not only embodies an ideal getaway from Cairo's traffic and its everyday pressures, but also a central hub to all major facilities.

A DREAM HOME CLOSER TO YOU

LOCATION

Located in the heart of Cairo, AlShorouk has an outstanding location. It serves as an extension to Cairo's new capital, it is one of the few cities in Egypt that promises residents a sense of security, privacy and full facilities. EGYGAB provides you a world of comfort, affordability and more of everything.

GRANDA COMPOUND:
